

Welcome to Greenwood Lodge and Campsites

READ BEFORE CAMPING!

1. Check in after 1 PM and before dark. Check out by 12 PM. EVERYONE camping or visiting must check-in and/or be registered in the Lodge before occupying a campsite.
2. A MAXIMUM OF TWO DOGS PER SITE. AN ADULT MUST BE WITH CHILDREN WALKING DOGS. Due to safety, liability and peoples' fear factor, ALL pets must be non-aggressive, have proof of required shots, kept quiet, physically restrained on a hand-held leash, picnic table leg or ground stake, not a tree. Do not leave pets outside while away.

Dog waste is unsanitary and transmits disease! Use a bag to pick up pet waste and put it in a container at your site or a pet waste station along our roads.
3. SPEED LIMIT (5 MPH). Park vehicles where they will not overcrowd campsites.
4. HAMMOCK USE IS BY PERMISSION ONLY. AVOID DAMAGING TREES. Carefully wrap clothes lines or canopy ropes around mature trees only, not bendable branches or young trees. We loan a metal hammock stand, if needed.
5. DO NOT PICK UP, PULL UP, CUT OR BREAK TREES, BRANCHES OR PLANTS at campsites or elsewhere on our property. Doing so can damage our natural setting. We have dry firewood for sale. NO PALLET BURNING.
6. CONTROL CAMPFIRE(s) up to knee high in the fire ring. Do not move fire rings. Use care to avoid accidents or damage by fire or sparks. Keep water to control and put out fires by midnight and whenever no one is at the campsite. It is against the law to transport firewood from out of state to avoid infestation of VT trees.
7. ADULTS MUST ACTIVELY SUPERVISE CHILDREN for their safety. Prevent them from dislodging or throwing stones or injuring themselves playing in our ponds or brooks.
8. PLACE TRASH, RECYCLABLES, deposit bottles and uncrushed deposit cans in marked containers at campsite, dump station or in front of Lodge. Keep sites clean.
9. SOME PROPANE STOVES BURN TABLE TOPS. Place where they won't cause damage.
10. BE CONSIDERATE OF OTHER CAMPERS. Keep conversation, radios & noise low at all times.
11. LEGAL/RESPONSIBLE USE OF ALCOHOL AT CAMPSITES ONLY. NO DRUGS!
12. RECREATION includes a common room for socializing, reading, games, TV, Wi-Fi, swimming, (no life guard), boating/canoeing and hiking.

Our GAME ROOM has table tennis, air hockey, shuffleboard, foosball, sink, microwave oven & picnic table; use 7AM to 9 PM. (Use of the upstairs hostel kitchen is for guests staying in the hostel only!)

13. EVERYONE MUST WEAR A LIFE JACKET WHEN BOATING OR CANOEING. AN ADULT 18 YRS OR OLDER must sign for the use of our boat, canoe, life jacket, oars and paddles. Print name, date, time out & time in. Please report any damage or maintenance needs.

14. BATHROOMS/HANDICAP BATHROOM AND NO PAY SHOWERS ARE IN THE LODGE. Conserve water; dry off in the shower. Please inform us of any problems such as plugged toilets, wet floors; use quietly 9 PM to 8 AM.

15. BY LAW, waste water including porta pottie, sink and shower water must be emptied into a waste container, not on the ground, and disposed of at a sanitary dump station. We loan containers.

16. DO NOT USE PLIERS. HAND TIGHTEN/LOOSEN YOUR RV HOSE ONLY. Inspect hose connections to make sure they are not leaking.

17. CONSERVE WATER especially if washing and rinsing RVs or vehicles. \$5 charge for each.

18. Freezing overnight temperature forecast: Upon arrival if water at the sites is still on, fill your holding tank and disconnect hose when freezing temperature is forecast. If campsite water has been drained, campers may fill holding tanks from a lodge freeze proof faucet before going to campsite. Dump station water will still be available until we close.
